Dr. D. L. Booser, Sr., died at his home yesterday afternoon at five o'clock, aged about 67 years. He had been sick for about two weeks, but his death was sudden and unexpected, the main cause being heart failure.

Dr. Booser moved to Newberry from Columbia some three or four years ago, and since that time has been engaged in the milling business, being owner of the Newberry Roller Mills. His death is a distinct loss to Newberry and will be felt by the entire community.

Ready to Yield.

"I used Dr. Witt's Witch Hazel Salve for piles and found it a certain cure," says S. R. Meredith, Willow Grove, Del. "I have used it since I was a child. It always yields to Dr. Witt's Witch Hazel Salve. Cures skin diseases, all kinds of wounds. Accept no counterfeits. W. E. Pelham & Son.

Death of a Child.

Sarah Carnes, the eighteen months old daughter of Mr. and Mrs. John H. Crisp, died at 2:10 p. m., on Monday, June 23. The funeral was conducted at the home in West End by Rev. N. N. Burton. The body was taken to Bush River church for burial.

Read It in His Newspaper.

George Schaub, a well known German citizen of Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could not get relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pain had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by W. E. Pelham & Son.

Picnic at Utopia.

PROSPERITY PICNIC.

The People of Prosperity Have a Pleasant Day's Outing in Columbia.

Some time ago Mr. E. O. Counts, superintendent of the Lutheran Sunday School at Prosperity, began making arrangements for a picnic by his school to be held at Hyatt's Park, in Columbia. Invitations were extended the Methodist, Baptist and Associate Reformed Sunday Schools to join in the movement, and they did. On Tuesday morning a special train was chartered over the C. N. and L. road to carry the party, which consisted of about five hundred persons. All the places of business had been closed and nearly everybody in town went to the picnic, and a most enjoyable day was spent in the capital city.

The picnicers were met at the depot in Columbia with special cars and carried immediately to Hyatt's Park. After the picnic they were carried for a ride on the cars around the city.

When the people of Prosperity take a notion that they are going to enjoy themselves they can be counted on to do so, and it was the generally expressed opinion of each member of the party that it would be a hard matter to spend a more pleasant day than he spent on Tuesday.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from several severe attacks of croup.—H. J. Strickland, editor World-Herald, Fair Haven, Wash. For sale by W. E. Pelham & Son.

Negro Dies Suddenly.

Jesse Jackson, a negro working on Mrs. Caroline Cook's place near Prosperity, died rather suddenly Wednesday. He was working in the field in the morning, came home and ate a hearty dinner and went back to his work. Feeling a little sick he lay down and called his grand-daughter and asked her to tie up his head. She did so and left him. Going back she found him dead. Coroner Lindsay held an inquest and reached a verdict of death from natural causes.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleaning the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Moundsville, W. Va. "They do me more good than anything I have ever tried." W. E. Pelham & Son.

THE STEVENSON-GUNTER MATTER.

Newberry Bar Association Holds a Meeting and Gives Reasons Why Special Term of Court Was Not Held in April.

It will be remembered that during the early part of this year the Newberry Bar Association asked for a special term of the Court of Common Pleas in order to clear a crowded docket. The petition was granted and Hon. W. F. Stevenson, then speaker of the House of Representatives, was appointed judge. Some time after this the Bar asked that the order granting the special term be annulled, which was done.

Mr. Stevenson is now in the race for attorney-general, and on the stump Mr. U. X. Gunter, his opponent, has made the assertion that the Newberry Bar asked that the special term not be held because Mr. Stevenson, the judge appointed, was a corporation lawyer, being attorney for the Seaboard Air Line Railway.

The Newberry Bar held a meeting yesterday morning, at which time a statement was gotten up giving the reasons which prompted them in asking for the special term, and then for its withdrawal. This report will be sent Mr. Stevenson and Mr. Gunter.

The report states that even before the order was issued granting the special term a movement was on foot to have this extra term called off for the reason that it was found that it would not suit many members of the Bar. As soon as the order was made known a meeting was held on March 25th for the purpose of considering the advisability of asking that the order be annulled. In this meeting the reasons advanced were, first, inconvenience to the Bar, and then that agricultural conditions had so changed as seriously to affect the convenience of jurors. The objection against Mr. Stevenson on account of his connection with the railroad was suggested by only three members of the Bar, representing two firms. Even these expressed the utmost confidence in his personal ability and integrity. They stated that there were some cases against the Seaboard Air Line and other railways which they did not wish Mr. Stevenson to try. But in the whole discussion there was a disclaimer of any intention to reflect upon the character of Mr. Stevenson as a man or his ability as a lawyer.

MR. FLOYD BUYS EXCHANGES

Now Owns Telephone Lines in Fifteen Towns—Will Improve and Perfect His System.

The State of Wednesday contained the following:

"It was reported here yesterday that the Citizens Telephone company of Spartanburg and the Home Telephone company of Greenville were sold at auction on the 23rd and 24th instant at court houses of Greenville and Spartanburg, respectively, by Mr. A. G. Furman, trustee, to satisfy a mortgage for \$30,000 given on both plants by L. W. Floyd, of Newberry, and G. A. Brown, of Greenville. Both of the plants were purchased by Mr. Floyd, the Spartanburg plant for \$23,000 and the Greenville for \$10,200, subject to two mortgages aggregating \$5,224. Both of these plants were built to compete with the Southern Bell Telephone and Telegraph company, and were quite prosperous for a time. There were but two bidders on the plants, Mr. J. H. Haynesworth, of Greenville, and Mr. Floyd.

Representatives of the Southern Bell Telephone and Telegraph company attended the sale, but took no part in the bidding. Mr. Floyd will probably continue to operate the plants although he has as yet given out no statement for publication.

Mr. Floyd when seen yesterday said that the above is practically correct. With these two systems he now owns exchanges in fifteen different towns and cities of this State, as follows: Prosperity, Newberry, Clinton, Union, Pacolet, Spartanburg, Greenville, Forest Inn, Greers, Piedmont, Pelzer, Williamston, Pickens, Easley, and Traveler's Rest.

Mr. Floyd has already begun work on the further improvement of his system. He says that he intends within the next few months to connect all his various exchanges together and with Columbia. He will also put in a metallic current and double wire.

This news will be received with pleasure by the people of Newberry. We have long felt the need of good telephone connections with other towns, and especially with Columbia. Mr. Floyd is to be congratulated upon his enterprise and ability in this matter.

Death of Mr. R. B. McCarty.

Mr. R. B. McCarty died at his home in this city at 5 o'clock on Tuesday morning. He had been sick with bilious fever for several weeks, and this, together with heart trouble, caused his death. It had been thought that he was entirely out of danger, but he suffered several relapses, each time growing worse, until the end came.

Mr. McCarty was born near Denny's Cross Roads, in Saluda county, in 1867, and was in his 36th year. He moved to Newberry some twelve years ago, and was a clerk in Mr. Proctor Todd's grocery store until 1894, when he went into business with Mr. J. T. Hays, under the firm name of Hays & McCarty. In 1898 the partnership was dissolved, and Mr. McCarty continued in the same business. Since that time he had built up and conducted one of the leading grocery businesses in this city.

About two years ago he was married to Mrs. Hattie Duke, of Opelika, Ala., who survives him.

The remains were interred at Rosemont Wednesday morning. Services were conducted by Revs. W. I. Herbert and G. A. Wright.
